Killing someone because he was taking Medication (Hemp). Can the vigilamtee, themselves pass the test of not having the " Ganja" in their blood stream? why did they have to take refuge at the police station, are they no longer Vigilantees?

For Just Anambra East LGA, "Fifty mobile policemen, 10 soldiers, eight police vans and an armoured personnel carrier were deployed in the area to quell the riot" were deployed. Please let us find out the number of LGAs in Borno State where BOKOHARAM is causing havoc and use the number to multiply what was deployed to Anambra East.
Thank you

It is like killing a fly with a sledge hammer. If there is any Nigerian city that needs maximum protection it is a boko harassed and embarrassed Bornoguri. Our security leadership are honestly outdated or they are simply shying away from the truth. Bornu or Maiduguri (Bornuguri) needs at least 5,000 regular police; 1,500 mopol; 1,000 soldiers; 100 patrol vans and not less than 20 armoured patrol vans (APC) and they need to occupy Bornoguri for at least a year to thoroughly annihilate these miscreantic and unrepentant dissidents from hell. They have gone beyond reform and they don't belong here anymore.

A mallam is the head of our police so dont expect much from him. He thinks with his religious part of his brain. I am sure he regards those boko haram people as his spiritual brothers even if they are animals in human skin.
