In fact, the funniest thing is that some of them putting on cow boy cap just look like monkey, and look so ugly. Even the Oyinbo who made the cap they are just laughing at us. The other day I look the new legislooters leader with his hat, I just dey laugh, he looks more or less as a gorilla. Jonathan too look very embarrassing with the hat. The other time I saw him with suit, he looks very smart and handsome. There's no way for Mugu to be like guy man. Mugu na Mugu, Guy man na guy man.
