

Speed boat capsizes, kills 2

BY PAUL ITURU

NO fewer than two persons were confirmed dead over the week after a commercial speed boat that was conveying passengers from Kirikiri water side to Aloro village capsized mid-stream. Reports from the Marine Police station, Ikoyi, Lagos, revealed that a commercial speed boat that was

conveying ten passengers from kirikiri water side to Aloro village capsized mid-stream. Some of the passengers were however rescued by sympathizers who swung into action after the boat capsized. Two people lost their lives at the accident.

The bewildered passengers, some of whom have not experienced marine accident, were shocked and could not narrate their experiences when approached.
