The Joint Task Force set up to quell the Boko Haram menace rocking the Northern part of the country, in the early hours of yesterday, launched a successful operation on the sect's operational stronghold in Damaturu, Yobe state, killing 59 of the sect members and destroying their armoury, Chief of army staff, Lt. General Azubuike Ihejirika said, Friday.

Speaking during his first official visit to the Guards Brigade headquarters in Abuja, the Army Chief said, "There was a major encounter with the Boko Haram in Damaturu yesterday. In the encounter, we over ran their major stronghold and their ammunition site".

“And as is usual in any such encounter, we lost 3 of our soldiers, 7 were wounded but we killed over 50 of their members. They came with sophisticated and heavy weaponry including GPMG’s, SMG’s and bombs but our trained soldiers subdued them”.

when the Igbo where massacre in large number by the norther religion fanatics in 1966 the nigeria government with a notherner as the head of state give approval.

when this people in the north kill our people in the east just because they seek for self determination, and to protect theire life and dignity , the norther soldiers say they where fighting to keep nigeria one.

Now it have become a way of life in the north that even at a slitest provocation non muslims are killed in the name of religion.

We here in the east we work hard to send our children to school so that they will be a better citizen but in the north they are send

to learn Quran now they are brainwashed and terrorist they have become.

After independence, we have four regions, but to make the Igbo look no important states where created Igbo land where giving to other parts now the once a united north became the victim because of the break up of the region into states

My message is, As a nation the primary objective of our armed forces is to put down this rebellion in the north with our military might let the zone should be declared war zone so that the army can do their job because our country can not negotiate with terrorist.

point of correction, and before that let me ask you a question, The core Anglican bishops in Italy & England who practice gay(homosexuality) are they not christians, have u ever seen a Muslim accused them of deriving their practice from the bible. see reading/studying the quran does not turn a muslim to becoming terrorist and if indeed you are indoubt just try and convince urself. buy a copy of the english quran and read it, Quran teaches love, brotherhood and made us understand that you christians and jew will not never show us true love and will continue to fight us until we do that which you do. but Alas A muslims can not practice homosexuality like it is done in the USA & other European country. A Muslim cannot go to Iraq to fight and kill people unjustly under false allegation of weapon of mass destruction. A muslim cannot engage in the selling of human part like it is
