Call God! He would answer and will not fail His children. I encourage that we let Him deal with thes evil people because only God knows the heart of everyone. We know there are powerful people behind this evil and only God can expose them. He will do it in the name of Jesus! He has to do it - He is God - the Alpha and Omega! All those who exalt themselves will be destroyed. He will administer judgment to the peoples in uprightness.

Yahweh will also be a high tower for the oppressed;

a high tower in times of trouble.

Those who know your name will put their trust in you,

for you, Yahweh, have not forsaken those who seek you.

Sing praises to Yahweh, who dwells in Zion, and declare among the people what he has done.

For he who avenges blood remembers them.

He doesn't forget the cry of the afflicted in the name of JESUS!

Personally, I place my trust in God – who has the final say.

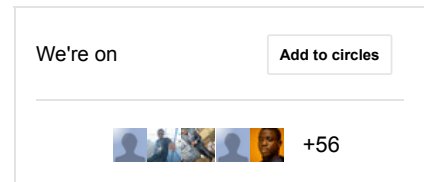

Now, arise Father in your anger.

Lift up yourself against the rage of the adversaries of your children!

Awake and command judgment on those who surround the upright in heart in the name of Jesus.

Forgive us – is you leave your children alone – where do we go? God is a righteous judge, your people have become sheep and cattle ARISE!

Let the earth shake and tremble – let the
foundations also of the mountains quaked
and were shaken, Your integrity is at stake!
Be angry and let Smoke go out of your
nostrils. Father! Are you not the Consuming
fire? Come down from the thick darkness
and deliver us from our strong enemy, from
those who hated Your son Jesus for they
were too mighty for us. You must hear us –
where do we go in the day of calamity?
I know You will avenge this evil – this is your
issue Lord because we look unto You. You
have done it before and you will do it again
– what is Boko-Haram and their associates
before You? Who are they that they should
threaten Your throne? Your integrity is at
stake – Arise in this present time. I know
you will do it – You never change!

Don't pray for the problem to come down.
Please pray that this opportunity presented
by the Hausa man finally bring the division
of Nigeria. We are too big to be ruled by any
one Nigerian politician. We can never
develop as a whole nation as it is today.
Better divide Nigeria now and see
