**MOSOGAR**—KID NAPPED Mrs. Okpa Omene, the 102-year-old mother of the traditional ruler of Mosogar Kingdom, Ethiope West Local Government Area of Delta State, HRM Samson Omene, Udurhie I, who was released, Sunday, said she preached to the kidnappers during her five days in captivity to accept God and stop their evil acts.

Mrs. Omene said her experience in the kidnappers' den was disgusting, given her old age.

She said that her captors did not treat her badly, though she was not allowed to take her bath. Vanguard gathered that

she was not allowed to take her bath while in captivity, and at about 11am on Sunday, before she was released later at 4pm, she begged her son, former chairman of Ethiope-West Local Government Area of the state, Chief Wilson Omene, on phone, to urge her captors to allow her to take her bath.

The Udurhie I, President General of Mosogar Development Union, Chief Joseph Omene and Dr. Wilson Omene, who are all children of the victim, in their reactions, thanked God for sparing their mother's life. They commended the kidnappers for releasing their mother unconditionally.
