Please, Nigeria FG should show seriousness to curbing kidnapping incidences by publicly executing the caught kidnappers. Otherwise this menace will continue unabated. This evil is being perpetrated by this devil sent human beings and they must be stopped by all means. Police authority and judiciary should eschew personal gain in this matter. The evil, humiliation and harrowing experience suffered by kidnappers victim and families

are better imagined that experienced.
 The quest for quick wealth has pushed men and women into kidnapping business with even families and communities supporting the act in some instances. Values, sanctity of life and sanity must come back back to our society. Government and constitution are put in place to make make sure there are orders and peace in society. as in life, some people will choose to earn their living in disorderly, criminally and devilish way in a way to bring fear, hardship and terror to law abiding citizens, it is the Government through the enforcement of the constitution that will check such individuals. But where the government(Executive, legislature and the Judiciary) fails to perform there roles accordingly, to wit, application of constitution, disorderliness, fail society, massive corruption, crimes and unnecessary loss of lives will be the order of the day. It is time to get back to path of sanity and decorum as a nation
