"The device was concealed in a wheel barrow by suspected Boko Haram sect member and it exploded at about 8.35am. The owner of the wheel barrow was killed instantly, while attempting to escape."

Sagir, however, said apart from the mastermind of the blast, no other casualty was recorded and that the area was cordoned off and swept by the Bomb Disposal Arm of the JTF.

RepentNigeria

You guys claim that Nigeria belongs to 3 of you: Hausa, Igbo and Youruba. And the violent, inhuman and silly crimes the 3 of u commit are becoming clearer and segregated in a very peculiar way. Housa=>Terrorism: Bombing, robbery. Igbo=>Money related crimes:- Kidnapping, robbery, rituals, drug running, 419, etc. Yoruba=> Silly crimes:- child raping, baby raping, father rapes daughter, son rapes mother, brother rapes baby sister, pastor rapes member, boy rapes mad woman, man rapes imbecile, etc. >>>Nigeria we hail thee!

I think Nigeria shall be a better place to
live without the three tribes. I agree
with you. Though i am one of the tribe.

Their idiocy is daily coming to the fore.
Death in a wheel barrow bomb? Next they
will be liquidating themselves via 'malu'/ram
/goat/donkey and camel bombs. All of this
goes to show how much their options are
shrinking by the day. Goodluck and
Godspeed JTF, you are so on course to win
this.

Negotiate with the devil!!! God never
negotiate with satan. Boko haram are agent
of blood sucking gods, it would be a stupid
of Nigeria to Negotiate with the devil. The
FG are not carrying the citizen along, How
can you negotiate with sect you don't know,
Niger delta you know and their plight was
understood, but Boko Haram nobody
knows. If fighting against western education

as they said is sacrilege, their mission will never see light. Boko haram and their sponsor will roast with the so called 72 virgin in hell.
