I can only but laugh at your dellusion and inanity. It is religious bigots and hypocrites like you, who have given Nigeria the world title of the most religious but most corrupt country in the world.

Take heart beloved Pastor Itiowe. The Good Lord is by your side to comfort you. The world could only afford pains and sorrow but the joy of Heaven is our balm. Keep the Kingdom vision alive, keep blowing the salvation trumpet, never give up the Faith and we shall understand WHY when we get over there!!!!!!.

RepentToday

All the evil doers causing accidents for rituals and kidnapping for rituals because of money, God is looking at all of you because "what can profit a man having all these so call money, and loose your soul forever in hell fire.

Pastor Marie re Itiowe and her daughter Glory Itiowe served the Lord and gone to rest with other believers that died.

God almighty will console Pastor Alfred Itiowe for his loss here on earth and will be re-united again with his love ones on the Glorious day.

If your life is still in shambles and you don't know Jesus, you better cry unto the Lord and repent for pardon because the coming of my Lord Jesus is very near.

Repent and be saved and change from your evil ways.

What is Police going to investigate? is it the road that is bad , the road that has not maintenance , the road that has no insurance from the contractors, the Government, the vehicles or the dead bodies? Can they tell us one investigation they have done and presented it to the Government?. Every time you will hear billions of Naira being budgeted for road construction but none is done, how many of our drivers went to driving school?("if we have any driving school"), which insurance

company works in Nigeria?, How many road signs are on our road? non. If you check it now maybe the police is going to investigate those police who where on the spot to check if they returned the belongings of the dead people.
