LAGOS—TRAGEDY struck, Tuesday, in Ikorodu area of Lagos State, after a man allegedly killed his wife during a scuffle.

The cause of the fight could not be ascertained, but report said the couple had been having incessant quarrels for some time.

Out of curiosity, a passerby was said to have gone to the apartment only to find Mrs Omolere Molade unconscious. The said woman reportedly tried resuscitating Omolere without success.

Policemen from Ikorodu Division drafted to the scene reportedly found Omolere dead.

Spokesman for Lagos State Police Command, Ngozi Braide, who confirmed the story, said Mr. Paul Omolade took to his heels immediately after the fight, adding that effort was being made to arrest him.

"Woman, a necessary evil" - Anonymous

A Yoruba musician once sang a song, in which he says, "If not for having children, when a woman divorces a man, its like troubles departed a man". Because of the many troubles of women, many believed that, if God had not created women, this world would have been more peaceful and would have been a better place to live. Wole Soyinka in one of his books titled "Brother Jero" referred to woman character in the play as "Daughter of discord" that is, a daughter of strive, war and disputes.

There had been many versions of how women were created and particularly, who really created Eve, the first woman. While the Holy Bible says, woman was created by God to be a HELPER to man, another story says, considering their creation, that is, their nature, character and physique, they must have been created by Satan. They claimed that Lucifer herself was a beautiful angel of God, in physical appearance of a woman, but when her stubbornness, disobedience and love for worldly materials became uncontrollable was why God drove her away from heaven to world.

Even though, the first narrated story of the Bible creation of woman looks more real, authentic and trusted than the latter, yet the general behaviour and character of most women had continued to make the second

version more real and practical than the first.

While we have women or wives, who are stubborn, disobedient and very aggressive character and behavioural wise, to the extent that, as either a husband or brother, one would require an extra patience to cope in tolerating them. Then of course, there are other women or wives, who are very respectful, responsible, loving, caring, patience and cooperative, though this number are very few and only lucky men or husbands have them as wives.

Experiences had shown that, even those wives or women, who are a fairly caring, loving and respectful do not do so, out of pure or natural love or likeness, but rather pretend to be nice, only when they know that their husband or man has at least two

of the three of what any husband or man, who wants to enjoy his matrimonial life should have and these are power, position and money. Any attempt for a man or husband not to have at least ONE of these listed possessions, then such man or husband should be ready to live a world of sadness, regrets or a murderer like Paul Omolade.

May God gives us good, respectful and responsible women as wives, but not a "daughter of discord" or daughters of Lucifer as wives, who force their husbands to gallows.

Time 'll tell...

'power, position and money'?...what if you offer them competition...get a second wife, or become a muslim and start looking to make up the four prescribed wives...

It'd would have been nice to call Ambulance by dialing an emergency number for immediate medical attention. Unfortunately, Nigeria is a roaming corpse of a country.

One more reason why everybody should always hold his cool. One adage says that

'every lizard is lying down, you do not know the one that is suffering from a running stomach, a churning stomach, a headache or is just ok'. Dangerous scuffles if possible should always be avoided!!!

Wife battery is getting too much in nigeria.  
The police should do everything within their powers to have this guy arrested and brought to book. My sympathy to the family of the woman. I WEEP FOR MY COUNTRY.

If so then, without the said Churches,  
crime rate would have DOUBLED or  
worse still, quadrupled! One would  
have expected thanks for the good

works of curbing some crimes by the Churches, but not from the angry Losers here.

The suspect Paul Omolade is on the run so why didn't the police and Vanguard attempt to show the on-the-run suspect's photo? Murder is serious crime so Vanguard should have treated the suspect as someone that needs to be caught as soon as possible. Please can we have an update on this along with the man's photos? Certainly once the suspect's photo is out there in the public domain he'd have nowhere to hide.
