Sources said that the deceased, Sewuse Tyoor and her son were attacked last night in their sleep by the assailants. It was also gathered that the deceased also lost her husband in the same fashion few months ago in Taraku.

According to our source, the deceased, before her untimely death had identified four officials of the National Drug Law Enforcement Agency, NDLEA, as the murderers of her late husband, Chia Tyoor who was also killed in a bizarre manner.

The fingered murders of her late husband have been scheduled to face trial later this month in Makurdi.

The Chairman of Gwer local government area, Dr David Maor, said the remains of the mother has been deposited at the Local Government General Hospital while her son was receiving treatment at the intensive care unit of the NKST clinic at Taraku.
