KANO — Unknown gunmen on tricycle, Sunday, shot dead four persons in three separate incidents in Kano.

Security sources confided in Vanguard that the first incident was recorded at Dakata, where a middle-aged man was shot at close range.

Minutes later, another person was shot opposite Custom barracks, located along Hadejia road all in Nassarawa Local Government Area of the state capital.

The source further explained that two other persons were shot dead at Hotoro Primary School, in the same local government.

Kano State Commissioner of Police, Mr. Musa Daura, however, said three persons were killed. A statement by the Police boss said: “The attack was carried out by unknown gunmen on tricycle around 1.30pm.

“Five fleeing suspects were arrested along Gezawa road shortly after the attack.”

The killings coincided with the one-day visit of Vice President Namadi Sambo to the state.

The Sultan of Sokoto, supported by the AREWA C.F. had asked Presido Joe to grant AMNESTY to the BOKO HARAM – See what they have done in Kano & Bauchi – 7 white foreigners, all christians were murdered in cold blood. Again innocent 4 Nigerians shot dead in Kano, who knows what happens tomorrow? Can the Sultan tell Nigerians what is the Problem with his people. If they want the ISLAMIC REPUBLIC OF AREWA OR THE PRESIDENT'S SEAT OR OUR OIL; Let them say it loud to all Nigerians, then we know where to start from, instead of killing innocent people every day. This not good and History will certainly record all these atrocities in Gold letters. Remember the killings from 1964 till Date in the North, is their nobody taking records of these killings? – Is one generation asking another generation to go killing christians and southerners? Let us be wise, for the oppressed will be freed one day. KONTA KENTE – THE SLAVE BOY? God help Nigeria. Amen

I have said this before and will say it again..the 'political class' in the north created dis crisis they cant control now and they should be held responsible but the way my igbo inlaws attack every person who don't share their views in this blog is not encouraging at all. Plz don't attack me either, am will soon be married to your sister

If Sultan wants this to stop he should preach to them. He has to re-inductinate them because he is both their political and spiritual leader. Or does he not have authority over them again?

You failed to understand the import of his comment... We in the South are not suffering from the boko haram insurgency that is continuously raining havoc in the North...He never said Christians in the North arent suffering...Afterall, the 7 foreign hostages your brothers killed were Christians...

Even Nigeria police/JTF cannot apprehend Boko Haram murderers on a tricycle that makes not more than 60km per hr. IG of Police, JTF and President Jonathan are fighting terrorism indeed

the problem of moslems is that if Hindus and Christians suppress them in their countries they shout that their rights is being infringed but they keep quite if Muslims do the same to other religious minorities in Muslim countries.

Nobody is holding you not to go as a matter of fact yours are a burden to Nigeria if you must know.

Just to juggle your memory to reality, your biarubbish does not include the South South anymore. In 2013, it begins and ends in Anambra, Imo, Abia and Enugu states.

oh oh how i wish your words would be matched with actions, but we know you and your people, talk with your mouth wide open but doing the opposite with your actions, oh and leave the south south issues alone, we know our friends and we also know a very confused and green snakes in the midths, God have mercy.

Sorry bros, south south must be discussed when Biafra is discussed; we have to straighten issues before we start another round of name-calling, south south once answer "saboteurs" remember?
