LAGOS — Robbers on Tuesday morning, stormed Fagbayide street in Odogunyan area of Ikorodu, Lagos, where they killed a 33-year-old man who had no money to offer them. Many other residents were also injured.

According to reports, residents of 4, Olu Fagbayide street, told *Vanguard* that the robbers numbering five, stormed the building at about 1.30am, where they carried out a room-to room operation, dispossessing victims of cash, telephone sets and other valuables.

One of the tenants, as gathered, was hit with the butt of a gun after telling the invaders that he had no money. But when they threatened to shoot him, his wife, said to have hidden under the bed, reportedly rushed out and gave the robbers N15,000 .

However, when they got to 33-year-old Kingsley Nnamdi's apartment, he reportedly pleaded with them to spare his life, explaining that he had been laid off from work. But his plea fell on deaf ears as one of the bandits was said to have shot him in the chest, on the ground that he was wasting their time.

Yet, as the dying father of two begged to be rushed to the hospital, the robbers went about ransacking his apartment but found nothing .

Reports said policemen from Sagamu road division visited the scene when they were alerted. But the robbers had fled.

Nnamdi as gathered, was rushed to Ikorodu General Hospital, from where he was referred to another hospital, where he was confirmed dead.

I think the robbers have made the judgment they too deserve, because they too had no money, they have not got enough that was the reason they rob, if they have had enough they would not go robbing people, therefore, they deserve the punishment they meted for the poor man. May God save Nigeria from ENEMIES WITHIN

May the soul of Kingsley Nnamdi rest in peace. I hope that the robbers are caught and to be punished for this poor man. This is unfair!

If you are accosted by robbers and you have money or valuables with you, give them to the robbers. With your life in tact, you will live to recover what you lost. It is simply penny wise pound foolish to try to deceive armed robbers. On the other hand, if indeed a victim had no money and the robbers wouldn't believe it, the robbers had incurred the wrath of God. The law of Elem wold run its course.

SINCE IT IS THE WRONG AND THE CRIMINALS ALLOWED TO OWN GUN IN NIGERIA,LEAVING THE INNOVENT CITIZENS TO BE KILLED LIKE CHICKEN, i AM SUGGESTING THAT WE HAVE TO PROTECT OURSELF FROM THESE ROBBERS. THEREFORE,GO TO THE MARKET AND BUY A CONCENTRATED SULPHURIC ACID AND FILL IT IN A SPRAYING PLASTIC CONTAINER.YOU CAN FINISH 100 ROBBERS IN A SECOND WITHOUT ANY NOTICE.IT WORKS FAR BETTER THAN GUN.IT IS REALLY WEAPON OF MASS DEFENCE AGAINST ROBBERY ATTACK.
