BY NDAHI MARAMA

MAIDUGURI — Violence erupted again, in Maiduguri, the BornoState capital, yesterday, as gunmen suspected to be members of the Boko Haram sect shot dead a tea vendor (name withheld) at his Maduganari T-junction shop at 6.30am.

Maduganari is one of the peaceful areas of Maiduguri Metropolis, until of recent that it witnessed two killings by suspected terrorists.

The gunmen, according to an anonymous eyewitness, came in a tricycle from the Maduganari neighbourhood and fired four shots into the vendor's head and chest, he died immediately.

He said: "We were waiting at this bus stop, when gunmen in a tricycle fired several gunshots at the tea shop, 55 metres away and people started running in different directions, before soldiers rushed to the scene at 7am and evacuated two other people injured by stray bullets to the hospital.

"The area was also condoned off to prevent further attacks and killings, but the gunmen had already fled into the neighbourhood without being arrested."

Our correspondent also learnt the tea vendor was in January threatened with a warning letter to vacate the area, but the reason to vacate the neighbourhood was, however, not stated in the threat letter of the Islamists sect.

The spokesman of Borno State Police Command, Gideon Jubrin and that of the JTF, Lieutenant Colonel Sagir Musa could not confirmed the incident as their phone lines were not recharble as at the time of going to press.

Religion of piss oooo... Useless people with a sick mindset.. These are the people the sultan wants the FG to give amnesty to... I keep asking them to show me the peace in that religion yet they will keep on saying that it's the only true religion.. If that's how "true" religion operates, I will rather die than to have anything to do with the violent "true" religion...

I have not read anything from borno elders. They are good in calling for the withdrawal of JTF men from borno state, but they seems to be happy with the killings of innocent nigerians by their children boko harams. TODAY IS YESTERDAY'S TOMORROW.

they are your friends and accomplices. they are working in concert with Buhari's script so stop talking from both sides of your mouth to gain cheap popularity. your time is up in this forum because we can not continue to condone your coded instigation to terrorism. pack and go with Buhari, you devil.

Killing the informant? And you still want the Borno Elders to condemn the BIG BOYS, unless they want to play 'sogashi' with their lives.

0 ^ | v • Reply • Share ›

BlackieUmukoro • 22 days ago

Killing with impunity is really neausating and yet the borno elders who are actually leaders of thoughtlessness would rather want the army to leave, instead of hemming their self inflicted killer squards in
