**O**NITSHA — TWO persons have been confirmed dead, while four others went into coma and were rushed to nearby hospitals, following their electrocution by a sagging 33 KVA high tension line belonging to Enugu Electricity Distribution Company, EEDC.

The incident, according to eye-witnesses, occurred weekend in Nanka community, Orumba North Local Government Area of Anambra State, during preparations for the burial ceremony of a chieftain of the community, Sir James Ibe.

According to the source, one of the victims died instantly, while the other died at Nnamdi Azikiwe University Teaching Hospital, NAUTH, Nnewi. Four others, who were rushed to different hospitals at nearby Ekwulobia community in Aguata Local Government Area are still in critical condition.

The high tension line, it was observed, was still left sagging as it passed through the premises of the late James Ibe.
