**ENUGU**—Suspected Fulani herdsmen, yesterday, killed Tamgbo Ogueji, a member of the traditional rulers' cabinet at Eke community in Udi Local Government Area of Enugu State. The deceased, aged 85, was allegedly shot in his house in the early hours over an undisclosed issue.

President-General, Eke Town Union, Mr. Anthony Enu, said the community was irked and the youths restive. He said: "Last year, the same Fulani herdsmen killed two of our brother, Matthew Aniugo and Chiagha Chigbo, in their farms. The town is boiling with anger now."

"We have reported the matter to the Police. We are calling on all relevant authorities to prevail on these Fulani herdsmen to ensure justice for our people." All efforts to get the reaction from the Police Public Relations Officer, Mr. Ebere Amaraizu, proved abortive as he did not respond to calls and SMS to his mobile phone.
