A ghastly motor accident, Wednesday, occurred along Okene-Kabba road, claiming many lives with 15 others injured.

Vanguard gathered that the accident happened when the driver of a Sienna bus with registration number Lagos EPE 05 XP coming from Okene tried to avoid a pot-hole, allegedly lost control of the vehicle and rammed into another Sienna bus with registration number Ekiti ADK 602XB coming from the Kabba end.

The Police and men of the Federal Road Safety Commission have taken the deceased to the mortuary and those who sustained varying degrees of injury to the Kabba Specialist Hospital.
