A YOUNG man said to be under the influence of drugs has allegedly killed his father, mother and two

sisters in the Tsohon-Kasuwa Bataiya area of Potiskum town in Yobe State.

The suspect, identified as Adamu Magaji, allegedly hacked his father, Abdullahi; his mother, Hafsat, and his

two sisters Zainab and Aisha, to death, Monday night.

It was gathered that the suspect had since been arrested by the Police and is under-going interrogation before he will be charged to

court for prosecution.

All efforts to speak to the Police spokesman, Mr. Toyin Gbademosi, on phone, proved futile as he was not receiving his calls.
