

Vanguard gathered that the villages affected in the latest attacks were Uzaar in Tombo, Anyii in Logo local government and Vase in Ukum local government.

According to the source, the marauders launched an attack on Uzzar and Anyii Monday night killing about 8 persons and razing down parts of the affected communities.

According to him, "Vase was attacked at about 1am Tuesday where 12 persons including six relatives of a serving Permanent Secretary in the state were butchered in cold blood. The sequence of the attacks clearly showed that they were well coordinated and that is why the people could not put up any form of resistance
