**L**AGOS—AS residents of Iba Town, Iba Local Council Development Area, LCDA, await the release of their abducted monarch, Oba Yushau Oseni, a 25-year-old resident, Mr. Riliwan Rasak, an artisan, who was hit by a stray bullet during the abduction, has died.

The 73-year-old monarch was kidnapped last Saturday.

*Vanguard* gathered that the late Riliwan, the breadwinner of his family, was shot in the leg by the kidnappers at the graduation party of his friend, while escaping with the monarch.

Sources said that Riliwan, who turns 26 in two months, died due to excessive loss of blood on Sunday.
