

with arrested by the police, but refused to change."

Four killed in Umuahia road crash

By Anayo Okoli

U MUAHIA—FOUR persons, including the driver, died on the spot, yesterday evening, when the Toyota Sienna commercial bus they were travelling in had a head-on collision with a diesel-laden tanker.

Two of the victims were flung into a nearby bush by the impact of the incident, which occurred at the Nunya

Junction, near Umuahia, on the Enugu-Port Harcourt Expressway.

The Sienna was coming from the Okigwe end of the road, while the truck was coming from the Umuahia end.

At press time, sympathisers were still battling to remove trapped bodies from the car.

The truck had no number plates, but had SGC 2037 written on the body, alongside NUPENG emblem.
