

She also ordered the original case file be duplicated and

there was no case of robbery.

My client, General Pere, was not even found with any

weapon. We are shocked he was charged for being in possession of firearms.

"He said he left APC and now in PDP.

"We are happy that the Magistrate has said that the case file be duplicated and sent to the DPP. It happened before in Ovia 13. They hauled them to prison. I think the charge was prepared so that they can haul them to prison before election. We, however, know what to do."

2 Flood kills 1, destroys houses in Zamfara

A 60-year-old woman has been killed and over 100 houses destroyed by flood in Gummi and Gayari towns of Gummi Local Government Area of Zamfara State.

The council's Vice Chairman, Alhaji Sa'idu Bawa, who confirmed this when he spoke

with newsmen in Gummi, yesterday, said the incident occurred because of persistent downpour in the area.

Bawa said apart from the woman's death and destroyed houses, household materials, food items and animals were also lost to the

disaster.

He said that over 500 people are rendered homeless and were now living with their family members.

"Apart from the disaster in Gummi, we received similar report of the flood disaster in Gayari district," he added.
