PORT HARCOURT—A notorious cultist in Rivers State, identified as Shina Rambo, has been reportedly shot dead by members of a rival cult group in Port Harcourt.

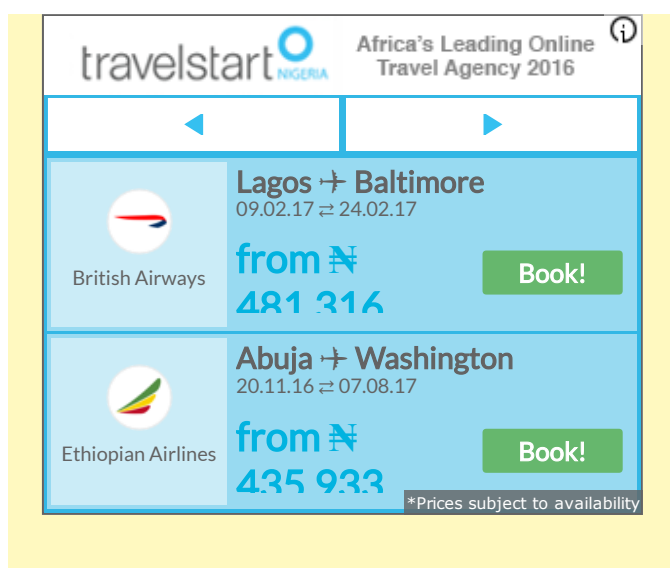

Say hello to B

Sources told Vanguard that Rambo died during a fierce gun battle with rival cult group, yesterday, around Abuja Estate Waterfront.

Rambo was allegedly behind the murder of a policeman two weeks ago at Rex Lawson area of Borokiri, Port Harcourt.

It will be recalled that the said policeman lost his life during an exchange of fire between cultists led by Shina Rambo and policemen at Rex Lawson area.

At press time police was yet to confirm the development.
