One person was feared dead while another sustained injuries, yesterday, in an autocrash involving a truck and a car in Ewekoro/Ifo, Ogun State.

The incident was said to have occurred at about 10.30 am when the truck coming from Abeokuta ran into the car.

The victims, both females, were said to have been taken to General Hospital, Ifo.

Confirming the incident, TRACE PRO, Babatunde Akinbiyi, attributed the cause of the accident to over speeding, urging motorists to be cautious on the road.
