

AK-47 rifles in accident scene

Meanwhile, FRSC officials said, yesterday, that they recovered five AK-47 rifles from a car involved in an accident in Kaduna.

The accident, which occurred last Friday at Mazuga village, Kachia-Kafanchan Road, involved two vehicles, Audi Salon car with number plates AG 601 MKR and an Opel Vectra without plate numbers.

An official of the corps said: "Our men rushed to the place and found out that good Samaritans had started bringing the victims out of the accident vehicles.

"Seven persons were involved, three died with four injured. Five locally-made AK-47 rifles and a magazine were found in the Audi Salon car."
