

The incident is coming just as another gang of hoodlums, Monday evening, shot dead a male guest who lodged at a hotel near Aroh Road Junction, along the East-West Road.

Speaking to Vanguard on the incident, Chief Executive Officer of the bank, Chief Joe, said: "I am not in Delta State as at the moment and don't have full details of the incident, but the Managing Director, called me on Monday that a security guard at the bank was killed."
