2 die, as power bike hits pedestrian in Lagos

By Jimoh Babatunde

Two people, yesterday evening, died in an accident at Sanya Bus stop, along the popular Apapa-Oshodi Expressway.

It was gathered that the

accident occurred at about 4.30p.m., when a pedestrian, who refused to use the bridge, was hit by a power bike.

An eyewitness said the power biker tried to avoid the pedestrian, who was crossing the expressway, "but the biker

ended up hitting him as he was on high speed."

The eyewitness added that the biker died immediately as he hit his head on the ground and the man that was hit was seriously injured.

Another said: "We

immediately put a call through to the Lagos State Emergency Agency, LASEMA, but it took over 30 minutes before they got to the scene. Nobody can say what will happen to the young man now."
