The family also urged the Police boss to order the immediate release of the deceased's money and properties allegedly appropriated for personal use by the policemen.

After mentioning the names of the policemen allegedly involved in the matter and their area of posting, the family equally called for an end to periodic arrest, detention and extortion of members of the family.

Electricity: Saki residents bemoan month-long outage

Some residents of Saki in Saki West Council Area of Oyo State, on Monday complained of the unending power failure in the area, newsmen report. Some of the residents who spoke with newsmen said the situation was becoming worrisome and unbearable for them. Mrs Imole Dorcas, a community leader and human rights activist, said "We ...

The IGP was also told that some of the moveable properties allegedly appropriated by the policemen included a Toyota Sequoia SUV, Toyota Avalon car, Toyota Hilux, Toyota Corolla, a Peugeot saloon car and a Lexus SUV.

The lawyer particularly complained that after seizing the dead man's hotel at 23 Umunocha Street, Independence Layout, Enugu, the policemen appointed "their own manager, who now manages the hotel and return the proceeds to them."
