3 killed in fresh Kaduna crisis

THREE persons have been killed in a fresh attack around Narayi area of Kaduna State, following a violence that broke out in the state on Sunday.

Residents, who preferred to remain anonymous, said the attackers stormed the community yesterday morning and opened fire on some men that were guarding the area.

According to the residents, the men had mobilised themselves to guard the community when the crisis broke out, to avoid any intruder from entering the community because of the curfew.

The state Commissioner of

Police, Ahmad Abdulrahman, has confirmed the incident, saying investigation into the matter has commenced.

He noted that some group of youths had attacked a team of soldiers deployed to the area to maintain law and order with some dangerous weapons when they were asked to go back, and in the process three among them were shot.

He, however, explained that normalcy had returned to the area, following the deployment of more security personnel.
