These bizzare incidents happened at Ologbo Community, along Benin-Sapele road, in Ikpoba-Okha Local Government Area of Edo State.

The horrible incident was said to have occurred in their rented apartment at 8B, Market Road, Ologbo, on Monday, October 29, 2018.

Sunday Vanguard gathered that the suspect allegedly strangled her 58-year old mother, Mrs Christiana Ighoyivwi, and copulated with her lifeless body; he was said to have hoped that money would appear from the blues in the process.

The aged mother of the victim, Mrs Maria Gabriel, was said to have discovered the ugly incident when she went to the daughter's residence about 6am to invite her to a nearby church for morning prayer.

The old woman was said to have knocked repeatedly on her daughter's (victim) door but nobody responded.
