The photos of the Sunday attack by suspected armed herdsmen in Imo, Owerri have been obtained by **Vanguard**.

One of the victims being carried away

The relatives to the victims were captured evacuating one of the deceased.

Just as an investigation by **Vanguard** confirmed on Monday, that some heads of various security agencies in the state have covertly intervened in the matter with a view to ending the looming crises, also with leaders of Hausa community making frantic efforts not to allow the situation escalates.

However, at the time of filling this report, it was not known exactly where the corpse was taken to but an eyewitness told **Vanguard** that “The body will be deposited in a morgue until this case is over.”

While the other person who was also attacked was said to have died as he could not cope up with the degrees of injuries from the said violent attacks.

It should be recalled that **Vanguard** had reported that two persons, were attacked by suspected herdsmen as they were trying to stop the herders from grazing on a cultivated land along the road linking Toronto and Road safety junction in Uratta, Owerri North local government area of Imo state.

The incident which took place around 05:15 am, turned into a mayhem after one of the herders got angry, rushed away, returned with a gun and shot one of the boys trying to stop them from grazing on the cultivated land while the victim’s brother was attacked with a machet leaving him with several cuts.
