It was gathered that after applying the chemical on her hair, she reportedly collapsed from the effect of the chemical and was rushed to the hospital.

An eyewitness, who lived in the same compound with the deceased along Ogo-Oluwa area of the state capital, disclosed that “when she collapsed, a neighbour rushed to her aid, but the neighbour also collapsed from the effect of the chemical and had to be rushed to the hospital as well.

“Unfortunately, Ayomikun gave up the ghost before they got her to hospital.”

Ayomikun, an orphan, is a graduate of Human Kinetics. She lost her mother in June when she went home for the Eid-el-Fitr break.

Contacted, NYSC Public Relations Officer in the state, Mrs Funmilayo Okundaye, confirmed the incident, but added that she is yet to be fully briefed.
