A source in the neighbourhood narrated that, "The man came through the gates at that ungodly time, stabbed the gateman with a knife he was holding, brushed through the congregation to the altar, stabbed the pastor and walked out with impunity."

Police Relations Officer, Rivers Command, Nnamdi Omoni said, when contacted, that "The Command is aware. We have put machinery in place to ensure the arrest of the killer. An investigation has been launched.

The Redeem community in Port Harcourt were yet to respond to the development at the time of filing this report.
