Boy, 8, crushed by truck while hawking

AN 8-year-old boy identified as Kalid hawking pap was yesterday crushed by a truck at Owena in Ondo State.

Sunday Vanguard gathered that the primary school pupil died on the spot.

Eyewitnesses said the truck

suddenly developed break failure and, in the process of the driver avoiding crushing people by the side of the road, rammed into another vehicle being towed.

The towed vehicle reportedly detached from the towing vehicle and hit the little boy killing him on the spot.

The boy reportedly rolled under the truck and was crushed.

His mangled body was re-

portedly removed from under the truck by sympathisers.

But for the timely intervention of police detectives, some irate youths mobilised to lynch the truck driver.

The corpse was later removed by policemen from the Idanre divisional police station and deposited at the mortuary of the state specialist hospital in Akure.
