

# Katsina varsity loses 2 students

By Bashir Bello

**K**ATSINA—TRAGEDY has hit the Federal University, Dutsinma, FUD, Katsina State, as two of its students died in two separate mishaps.

While a 100 Level student, Suleiman Sulieman, died while swimming at Dutsinma Dam, the other, a 200 Level student, Nana Mustapha, died in an accident on Kankara Road.

The university's spokesman, Habibu Matazu, who confirmed

both incidents, said the university was deeply touched and prayed for the repose of their souls.

It was gathered that Suleiman, a student of Physics and Electronics had gone to the dam to celebrate the independence day alongside some other students, when the incident happened.

According to sources, Suleiman's corpse was recovered and taken to his home town in Funtua, where funeral prayer was held before he was buried.

Similarly, Nana, a student of Microbiology, was going to the permanent site of the university for lecture alongside other students in a car, when they had an accident. Four others were injured.

She has since been buried in Dutsinma cemetery, according to Islamic rites.

The three injured students were hospitalised in Kano State, while the driver (another female student) was hospitalised in the school's hospital.
