By Therese Nanlong, Jos

One of the suspected killers of Dr Mandi Drenkat, a lecturer with the University of Jos has been arrested at the Babale area of Jos North local government area of Plateau State.

The suspect, identified as Ali Mohammed was arrested with one AK 47 rifle and a kidnap victim in their den named Chiboze Joseph rescued unhurt.

It would be recalled that the late Dr Drenkat was shot in his home at the University of Jos Senior Staff Quarters on Friday night and his six years old daughter kidnapped but subsequently rescued by the Police.

“In the process, one of the kidnappers’ named Ali Mohammed ‘m’ of Narabi was shot on his right leg and was arrested with one AK 47 rifle with breach Number 1984/AP 0240, 29 rounds of live ammunition was also recovered from him. A kidnapped victim name Chiboze Joseph ‘m’ was rescued unhurt while other bandits fled with blood injuries.

On interrogation, the suspect confessed to the crime. The case under investigation and will be charged to court as soon as possible.”

Speaking on the rescue of the girl, the CP added, “In furtherance of the operation, the teams of operatives were relentless and at about 1600 hours they extended their search for the last kidnapped victim to Babale mountain, Jos North LGA and on sighting the combined teams, the hoodlums opened fire on them, the teams overpowered the hoodlums which led to the rescue of the kidnapped victim Joanna Drenkat ‘f’ six years old unhurt.

“Manhunt for the fleeing suspect continues. We are soliciting for useful information from members of the public to aid in the arrest of the fleeing suspects.”
