The Toyota Camry with number plate LSR-724 FW was said to have suffered burst tyre while on top speed, skidded off the road and crashed into a stationary tricycle by the culvert.

It was gathered that the tricycle was being washed by its owner as at the time of the incident.

Unfortunately, all the three adult males in the car and the tricyclist lost their lives as the car also skidded into the bush.

The Nigeria Police Force from Odo-Noforija Divisional Headquarters Epe, was said to have responded to the distress call but this was too late as the victims were presumed dead on the spot.

Their bodies were thereafter deposited at Epe General Hospital. The Director-General, Lagos State Emergency Management Agency LASEMA, Dr. Olufemi Oke- Osanyintolu confirmed the incident.
