

Bandits kill one, kidnap 18 in Niger

By Wole Mosadomi

ONE person was reportedly killed, 18 abducted and several others wounded as gunmen attacked Kapana community in Munya Local Government Area of Niger State, Tuesday night.

It was gathered that the bandits announced their arrival in the community with several gunshots to scare the people and as the villagers were scampering for safety one of them was fell by the bandits' bullet and many sustained injuries.

Women and children, who were unlucky to escape, were kidnapped by the bandits.

Already, the village affected and surrounding communities have been deserted as they were said to have relocated to neighbouring villages.

A member representing Munya Constituency in the state House of Assembly, Mr Andrew Danjuma Jagaba, who confirmed the development condemned the invasion.
