**C**ALABAR—TWO persons were killed and three others wounded, Wednesday, when a car and tricycle crashed along Mayne Avenue, Calabar.

The Camry car with number plate, KMM 791 AA, was driving down Mayne Avenue when the steering got locked making the driver lose control and rammed into a tricycle from the opposite direction.

The tricycle reportedly fell into a drainage, killing the rider with a yet to be identified female passenger.

"Where you are standing was a pool of blood some moments ago when the bodies of the Keke rider and the lady sitting by his left were deposited," an eye witness said.

The tricycle rider's name was given as Ogolo Igwe from documents pursued from the crushed tricycle.

The bodies of the rider and the lady with those who sustained injures were taken to the General Hospital, Calabar.
