

4-yr -old girl crushed during campaign for LG poll

Also yesterday, a four year old girl was crushed to death by a Toyota Matrix car in Oja Jagun area of Ogbomoso North Local Government Area of Oyo State.

It was gathered that the car being used for campaign by one of the political parties ahead of the local government election fixed for Saturday had a brake failure.

The car was said to have skidded off the road and rammed into the little girl, who was standing by the roadside.

While a report claimed the girl was crushed by a car on the convoy of Governor Seyi Makinde, the governor denied it, saying it was fake news.

Governor Makinde through his Chief Press Secretary, Mr. Taiwo Adisa, expressed his condolence to the family of the deceased child, saying contrary to the unverified news story alleging the killing of the child by a vehicle in the convoy of the Oyo State governor, the girl was killed by a Toyota Matrix car.

According to the governor's aide, the vehicle was said to have lost control after its front tyres burst while in motion, close to the venue of Peoples Democratic Party (PDP) campaign rally.

He maintained that it is common knowledge that Toyota Matrix vehicles were not part of any governor's convoy in Nigeria, saying: "While we await
