A truck driver and his motor boy have been arrested in Ogun State following the death of a car owner whose Toyota RAV 4 was allegedly hit and dragged into Iju River along Ota-Idiroko Road in Ado-Odo/Ota Local

Government.

According to eye witnesses' account, the vehicles and tricycle involved in the unfortunate incident were travelling from Sango inward Atan.

It was gathered that the Izuzu Truck with number plate XV 229 EPE suffered break failure, hit the car and dragged it into the river with the car owner being

killed instantly.

His corpse was deposited at General Hospital, Ota.

The car driver was said to be the only occupant in the vehicle when the incident occurred.

Following the death, the truck driver and his motor boy were arrested and detained at Onipanu Divisional Police Station.
