BANDITS, who relocated to forests near the Kaduna-Zaria dual carriage way, attacked travellers on Monday night, killing respected community leader in the state, Alhaji Sani Dogara.

Tijjani Ramalam, chieftain of the All Progressives Congress, APC, said Dogara was killed by the bandits around 8p.m. on his way to Kaduna from Zaria on Monday.

Meanwhile, the Kaduna State Police Command is yet to react on inquiry on Dogara's murder, even as his relations said they have left everything to Almighty Allah.
