

that are not bailable.

Toddler killed, 9 villagers remanded since 2015

He screamed: "As I speak to you, there are about nine Eku sons and a daughter that have been languishing in Oko Prison in Edo State. Presco came to Eku, arrested them in the middle of the night and, in the process, one of the mobile policemen even stumped on a little boy, who died, and they arrested the father, took him and eight others to Edo State, charged them under cultism and remanded them there for over one year. All in an effort to forcefully grab this land.
