Man kills cousin for sleeping with his wife in Niger

By Wole Mosadomi

A middle-aged man, Tambaya Usman, has been arrested by police operatives in Niger State for killing his cousin, Umar Musa, who was allegedly caught having sex with his wife in Jaguwa village, Rafi Local Government Area of the state.

The suspect, who confessed to the crime after his arrest, said he inflicted machete cuts on the deceased head because he had been having marathon sex with his wife in the past.

"I caught Umar having sexual intercourse with my wife in my

The suspect, Tambaya

bedroom and as a result, I inflicted machete cuts on his head and he died.

"I have caught the deceased in the same act severally while our parents and relatives had intervened and cautioned the deceased to desist from such act.

"The deceased later apologised for the act and promised never to engage in such misdeed again but to my surprise, I caught him again and I descended on him with my cutlass by inflicting cuts on his head and he eventually gave up the ghost."

The state police command spokesman, Wasiu Abiodun, who confirmed the report, said the suspect has been arraigned in for culpable homicide.
