UYO—AN early morning auto crash along Ediene Abak old road by the University of Uyo, UNIUYO, Annex, Akwa Ibom State, yesterday, claimed a life while three others seriously injured.

The Sector Commander, Federal Road Safety Corps, FRSC, Mr Matthew Olonisaye, who disclosed this in a statement, said the accident involved a truck, a car and a motorcycle.

Olonisaye said FRSC operatives were deployed to control and redirect traffic while obstructions were being cleared.

The statement reads in part: "When FRSC rescue team arrived at the crash scene, having received a report of the incident, it was discovered that the fatal crash resulted from the loss of control and involved a truck, car and motorcycle with four persons, of which one was feared dead, the injured were taken to hospital while others came out unhurt.

"We commiserate with the family of the dead person. May God grant them the fortitude to bear the irreparable loss. We plea with members of the public to ensure safety on our roads."
