By Ibrahim Hassan, Kaduna

Twenty three people were allegedly kidnapped while one was killed by bandits at the Dogon-Daji community along the Abuja-Kaduna road near Kagarko in Kaduna State. Although the police could not be reached for comments as at press time, a local said the bandits raided the community on Wednesday around 12pm.

“They moved from house to house, shot sporadically and kidnapped 23 people. When one tried to escape, they shot him and he died,” he said.
