“According to eyewitnesses, the Mack truck had a propeller problem and could not be towed. However, after managing to move it off the road, with caution tape and cones used to separate/barricade it from the road, the tricycle due to excessive speed rammed into it from the rear in the wee hours of the night, with the driver losing his life on the spot.

“While the Nissan Pick-up van also rammed into it from the rear, killing the driver and one of the motor boys.”

He noted that the injured victims had been taken to a state hospital in Ifo and the dead victims deposited at the same hospital morgue.
