guns and machetes in the early hours of yesterday, while the locals were sleeping.

A survivor, who craved for anonymity,

said: "About 25 people were kidnapped in Unguwan Baka of Agunu Ward in the early hours of Tuesday. Two people were injured and one person was killed.

"We rushed those that were injured to the hospital, we wish them quick recovery and those that were kidnapped, we pray for their safe return. Please pray for us. This is the third attack on our community," he said.
