He also said the same gunmen had allegedly killed a resident said to be a police officer at NFPA bus stop in the same Ohowo LGA last Tuesday night.

during a gun battle between the security operatives and hoodlums.”

Narrating how the incident happened, while he pleaded not to mention his name for security purposes, the eyewitness said: “This young police officer was killed at NEPA bus stop where he is residing. It happened by 8 pm on Tuesday. The gunmen came and spent more than forty-five minutes in that house. They took their time to identify who is a student and a police officer in that compound before killing him after identifying he was a police officer.”

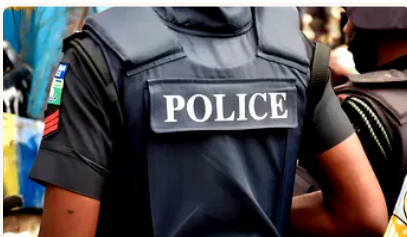

“He was slaughtered. But we have a military presence in the same Obowo and three Police formations in the area. None of them came to the rescue of this officer. After 1 hour, and 30 minutes the military came and not the police. This sad.

“This happened in a place where we have area command, Ishinweke Police Division and Obowo Police Division. They still returned this early morning and burnt down the police division,” he said.

Reacting, the Imo state Police Public Relations Officer, PPRO, Henry Okoye, said: “The Command has deployed tactical teams to apprehend those responsible for this crime.”

This must be Tinubu's fault, right? That's what the shameless hypocrites will say.

It was Tinubu or Buhari that brought unknown gunmen and ESN goons to the

east. The two of them imported fulani herdemen to the east, right?

won't touch any news like this one. Go and check their hundreds of comments on any anti Tinubu news. That's the only thing that gets them excited and hyperactive.
