A. lucida cuts across

The tragic accident, which occurred on Wednesday, has again resulted in the call for the dualisation of the usually busy road, known to have claimed several lives over the years.

## Work

Dr. Baraka was traveling to Yenagoa for a scheduled meeting between the Academic Staff Union of Universities (ASUU) of the NDU chapter and the state government.

The force of the impact crushed both vehicles. Vehicular movement on the

A hacksaw was allegedly used to cut through the badly mangled cars to bring out the trapped victims.

"The circumstances surrounding the accident are still being investigated but eyewitness accounts suggest that the police chase was a contributing factor to the tragic incident," a source said.

Dr Baraka, the vice chairman of the ASUU, NDU chapter, who was rushed to the

The remains of the deceased have since been deposited at the morgue of the Niger Delta University Teaching Hospital, it was learned.

"He was rushed to the Niger Delta University Teaching Hospital, Okolobiri where doctors tried hard to save his life but he could not make due to the injuries sustained," a staff at the medical facility said. Attempt to get the reaction of the police on the development was

unsuccessful as the  
Spokesman of the  
Command, Musa  
Mohammed, said he had yet  
to be briefed.

real salaries. A glance at      handled by a Stand

The OAGF noted that barring any other salary arrears in the future, what was paid in January and February 2025 would continue to be the salaries, until such a time that the Federal Government reviewed the salaries.

The OAGF said IPPIS has fully paid batches 1 to 6 and is awaiting more batches from the Budget Office of the Federation (BOF) for payment.

It reiterated its determination to efficiently manage the IPPIS in view of its importance to workers and advised workers with complaints about
